

Hohewand – Easy Hike

Date: Saturday 12-September-2009

Suggested by: Monika Lang

This hike is only for those who have registered for the Celebration Pig Roast Weekend.

Description: We will meet at the Kleinkanzel Haus (Kleinkanzel Hütte) like Laura Perez-Burgos. However I offer an easier and shorter route for those who prefer an extended walk with no major up and downhill (except for one steep part 15min. down and 15min back up crossing the LEITERGRABEN). We will be staying on the plateau. From Klein Kanzel Haus we will walk over to the Nature Park with the deer reserve, then to Gasthof Postl for lunch (a look down the cliffs from the spectacular “SKYWALK” optional). Then we will walk over to HOCHKOGELHAUS and from there to HUBERTUSHAUS crossing the LEITERGRABEN (15 min down, 15min back up).

Map(s): f&b WK012 for reference only...no need to buy one

Length of activity, elevation and difficulty:

Approximately 3 hours pure walking time (looking at the deer and skywalk will extend walking time). Except for that one steep part it is all easy hike on the plateau.

Meeting time and place: 10 am. at the Parking lot of the Kleinkanzel Hohewand.

Ending time and place: 3 pm at the Hubertushaus hütte.
